Dear members,

It is my pleasure to invite you to the 2nd Plenary Meeting of United Nations Global Geospatial Information Management for Asia and the Pacific (UN-GGIM-AP) to be held from 28-30 October 2013 in Tehran, Islamic Republic of Iran hosted by National Cartographic Center of Iran (NCC).

This meeting provides a great opportunity to share and exchange experience and capabilities among member countries to boost knowledge and expertise in geospatial Information field, primarily by focusing on the main theme "NGIA's roles in Successful Disaster Response" and subtheme "The latest of Spatial Web Services provided by NGIAs".

Furthermore, this meeting could provide necessary bases for more active cooperation and also maintain and develop ties among member countries in different aspects.

I appreciate your valuable presence in this meeting and wish full participation of your delegation.
